

## EARTHWORM BEHAVIOR INVESTIGATION

### HOW DO EARTHWORMS REACT TO MOISTURE?

What responses do you think the earthworms will exhibit and why?

---

---

---

Earthworms' Response	Observations
Move to <b>moist</b> paper towel	
Move to <b>dry</b> paper towel	
<b>Unusual Behavior</b> (They did not move, it had half its body on each side of the paper towels)	

Did your results support what you thought would happen?      YES      NO

Explain
