

## Immigration Story

America is made up of immigrants from every country in the world each with their own unique experience. However, some commonalities exist in every immigrant story. Go to the website [http://www.pbs.org/destinationamerica/ps\\_ctn\\_02.html](http://www.pbs.org/destinationamerica/ps_ctn_02.html). The website lists stories of how families immigrated to America. Choose one story and use the information story to fill out the graphic organizer below.

<b>Name:</b>	<b>Country of Origin:</b>	<b>Year Immigrated:</b>
<b>Why did they leave their country (push-factors)?</b>		
<b>Why did they choose to come to America (pull-factors)?</b>		
<b>Summarize their family's or their experience.</b>  <b>Did they face any hardships? Did their lives improve from those they had left, or did they get worse?</b>
