

ADVANCED TOPIC RESOURCES

These may be useful for the teacher, for students who want to dig in deeper, or for those who need a challenge. The language in some of these documents is well above grade level, but the abstracts, introductions, and conclusions may be approachable for students with assistance.

- Interactions between wolves and female grizzly bears with cubs in Yellowstone National Park:
<http://www.jstor.org/stable/3872977> (Free to read online when you create an account.)
- Interference competition between gray wolves and coyotes in Yellowstone National Park:
<http://bit.ly/2gfXvpz> (Copy and paste into your browser. It opens as a pdf file.)
- Seasonal patterns of predation for gray wolves in the multi-prey system of Yellowstone National Park: <http://bit.ly/2h8rjWH>
- Wolf-bison interactions in Yellowstone National Park:
<http://jmammal.oxfordjournals.org/content/81/4/1128.full>
