

EXPERT EDITING GUIDE

Use the following questions to help edit your writing or your peer's writing.

Grammar and Mechanics

- Are there any spelling errors?
- Are all ideas written as complete sentences, starting with a capital letter and ending with correct punctuation?
- Is punctuation correctly used within each sentence?
- Should any other words be capitalized (titles, proper nouns, etc.)?

Organization

- Are all ideas in a clear order that makes sense to the reader?
- Does the paragraph begin with a claim that needs to be proven true?
- Are claims supported by evidence?
- Is there reasoning given for how each piece of evidence supports the claim?
