

PREGAME PARAGRAPHS

For the following paragraph, identify and correct at least three mistakes/errors:

Paragraph A

Social media and sports is like everywhere and people be talking about games all the time online. Fans posting stuff and sometimes it gets confusing or too much because everybody got opinions. Athletes they also post things and sometimes people don't like it. It can be good but also bad in ways that are hard to explain. So yeah social media and sports is a big thing and it's kinda crazy.

Read the following paragraph. Use the spaces below to describe what the main problem is and how you would fix it. Use complete sentences for your responses.

Paragraph B

Social media has made sports more dangerous for young athletes. Studies show that millions of teenagers play organized sports each year. Youth participation in soccer and basketball has grown steadily over the past decade. Many schools now have athletic programs starting in elementary grades. This proves that social media puts too much pressure on kids.

What is the main problem in this paragraph?

How would you fix this problem?
