

PRESENTATION RUBRIC

	Accuracy	Sequencing	Cooperation	Adherence to Guidelines	Citations	Comprehension
4 Points	All content throughout the presentation is accurate. There are no factual errors.	Information is organized in a clear, logical way. It is easy to anticipate the type of material that might be on the next slide.	The group delegates tasks and shares responsibility effectively at all times.	The group provides adequate responses to all the questions posed by the assignment.	Information is incorporated from all the sources within the packet. These and all additional sources are properly cited.	The group demonstrates a clear understanding of the contributions of “forgotten figures” and clearly explains why their contributions are significant but have been omitted from collective memory.
3 Points	Most of the content is accurate, but there is one piece of information that might be inaccurate.	Most information is organized in a clear, logical way. One slide or item of information seems out of place.	The group delegates tasks and shares responsibility effectively most of the time.	The group provides adequate responses to most of the questions posed by the assignment.	Information is incorporated from some of the sources within the packet. These and most additional sources are properly cited.	The group demonstrates a satisfactory understanding of the contributions of “forgotten figures” and provides some insight into why their contributions are significant but have been omitted from collective memory.
2 Points	The content is generally accurate, but one piece of information is clearly flawed or inaccurate.	Some information is logically sequenced. An occasional slide or item of information seems out of place.	The group delegates tasks and shares responsibility effectively some of the time.	The group provides adequate responses to some of the questions posed by the assignment.	Information is incorporated from one of the sources within the document packet. This and additional sources may or may not be properly cited.	The group demonstrates some understanding of the contributions of “forgotten figures” but provides little insight into why their contributions are significant but have been omitted from collective memory.
1 Point	Content is confusing or contains more than one factual error.	There is no clear or evident plan for the organization of information.	The group often is not effective in delegating tasks and/or sharing responsibility.	The group does not provide adequate responses to the questions posed by the assignment.	Information from the sources within the document packets is not incorporated. The group does not properly cite any sources it might have consulted.	The group fails to demonstrate understanding of the contributions of “forgotten figures” or why their contributions are significant but have been omitted from collective memory.
