

## NOTE CATCHER

| Strategy          | What is it? | How does it promote discourse? | How can I use it? |
|-------------------|-------------|--------------------------------|-------------------|
| S-I-T             |             |                                |                   |
| Honeycomb Harvest |             |                                |                   |
| Talk Moves        |             |                                |                   |
