Essential Question(s)

- What does emotional engagement look like, and what are strategies that can help foster emotional engagement in the classroom?

Summary

This professional learning session focuses on providing teachers with foundational knowledge and strategies they can use to promote emotional student engagement in the classroom. Participants will explore research on student engagement, analyze engagement scenarios, and generate strategies for improving emotional engagement.

Learning Goals

- Summarize the aspects of student emotional engagement
- Analyze factors contributing to emotional engagement
- Generate strategies for improving student engagement
