

SWIVL SCAVENGER HUNT

Directions: Complete the tasks listed below, and answer questions related to using Swivl.

Task
1. Place the primary marker in the lanyard.
2. Begin recording.
3. Get the Swivl to track you by moving around.
4. End the recording.
5. The recording should automatically upload. If not, manually upload the video.

Question	Answer
1. Watch the video that you just uploaded. What do you notice about the recording?	
2. Share your video using the “Direct Share” feature to Teresa Randall. What do you wonder about the video sharing features of Swivl?	
3. Select a moment in the video, and post a comment. What do you notice about your comment?	
4. Go to the last page of the “Library” and watch the Multi-Marker Demo. You can change audio tracks along the bottom of the video.	

5. After viewing the Multi-Marker Demo video and playing with the audio tracks, list some positive and negative aspects of this teacher's instructional strategy.
