Career Activity: Google Draw		

How else can I get students involved in career exploration?

<https://tinyurl.com/K20CareerCafeGuide>

Career Cafés provide a way for small groups of students to meet career professionals, either in person or virtually, and make meaningful connections.

<https://tinyurl.com/K20C2CFExample>

College2Career Forums connect students to postsecondary institutions and career professionals for hands-on learning experiences.

Extra K20 Resources
