

## LEADING AND LAGGING

### Your School vs. District Average

Fill in your school percentages using the school profile data. Compare your school percentage to the district percentage. If your school is performing above the district average, check the *Leading* box. If your school is below district average check the *Lagging* box.

College Readiness Measure	District %	Your school %	Leading	Lagging
Senior Graduation Rate				
Average ACT				
4-Year Dropout Rate				
Out-of-State College-Going Rate
