VALUES CHART

1 My Values	2 Actions + Results How do my values show up in my work? (Good, bad, and ugly)	3 Goals How can I nurture a positive, collaborative community?
What is my top priority when working on a project?		Within myself and my role?
What part of project work do I enjoy the most?		
What would perfect group work look like to me?		As an organization?
What would I do if there were no limitations on how I carry out completing a project or solving a problem?
