

MAGNETIC STATEMENTS

A strong presence of shared goals fosters community and cooperation within the organization.

MAGNETIC STATEMENTS

Being specific about how roles connect to the organizational goals helps to clarify work expectations and provides a focus for the work.

MAGNETIC STATEMENTS

Goals help us to know what success looks like.

MAGNETIC STATEMENTS

Altogether, human resources practices that nurture healthy growth in the staff generate physical, emotional, and cognitive well-being and positive energy, which is an asset toward the organization's strategic goals.
