

STUDENT ACADEMIC AND SOCIAL NORMS CARD SORT

LEADERS	TEACHERS

Communicate high expectations to students, teachers, and families as a shared responsibility.

Collect school climate and learning data through a variety of sources. Work collaboratively with school staff to make evidence-based decisions and monitor their effectiveness.

Create a classroom environment in which students feel comfortable speaking out and advocating for their needs.

Ensure all members of the classroom respectfully listen and respond to others.

Hold the expectation that students actively participate in classroom activities and explain their work.

Seek classroom consensus around norms.
