

## LEARN TASK CARD – TECH-INTEGRATED STRATEGIES

### Before Questions:

- What strategies do you use in your classroom that could be enhanced by integrated technology?
- What would you like students to be able to complete using technology? (I.e. partner collaboration, creation of final products, organization of information)

### Explore a tech tool of your choice:

- Pick 3 tech-integrated strategies that seem interesting to you. Record these choices in the space below.
- Do you see any tech-integrated strategies that use a strategy or technology you currently use in your classroom?
- In the tech-integrated strategy, locate the overview, transcripts, FAQs, and Step-by-Step instructions.

### Closing Questions:

- How do Instructional Strategies improve engagement in the classroom?
- What are your most effective go-to strategies this year?
- What are some strategies you want to implement in your classroom?

### Notes:
