# DYNAMIC DELIVERY CHART

Presenters think about the content of a presentation and how to engage and interact with the audience during the presentation. Below are elements that presenters think about when considering their delivery. With a partner or small group, discuss what that element would look like in an actual presentation.

| Delivery Considerations | What does that look like? |
| --- | --- |
| 1. Enthusiasm and/or Humor | |
| 2. Preparation/Practice | |
| 3. Verbal tone/language | |
| 4. Body language | |
| 5. Friendliness or Approachability | |
| 6. Making it Interactive/Visual Aid | |
| 7. Facilitator/Collaborator/Supporter | |
