

### 3-2-1 ACTIVITY

You will make a short presentation over this activity. Take a few minutes to answer these three prompts.

**3**

Three ways simulation can be used in your classroom (acting as a teacher):

---

---

---

**2**

Two aspects of the simulation you foresee having to scaffold for students (acting as a teacher):

---

---

**1**

One answer to your prompt (acting as a learner right now):

---
