

RESOURCES EXPLORATION ORGANIZER

Go to <https://bit.ly/4hosgai>. Select at least one resource that could be used or adapted for your school site. Take notes below.

RESOURCE TITLE:

What cultural perspectives are recognized in this resource?

How does this resource facilitate discourse and collaboration that allows students to bring in personal perspectives to support their learning and/or school experience?

How does this resource boost student motivation, engagement, self-perceived abilities, or confidence in school?
