## HOW TO CREATE GOOGLE EXPLORE

Following is the task list from the G-Suite & Google Classroom presentation with accompanying screenshots. Work through the list to familiarize yourself with Google Explore.

## Task List

1. Open a new Doc.

G SUITE AND GOOGLE CLASSROOM

3. Using a bulleted list, jot down anything you know about Christopher Columbus.

4. Select the "Explore" button in the bottom right corner of your screen.

6. Using the "Images" tab, drag and drop an image into your notes.

7. Using the "Drive" tab, search for any other notes you might have.
