

# HOW TO CREATE GOOGLE SLIDES

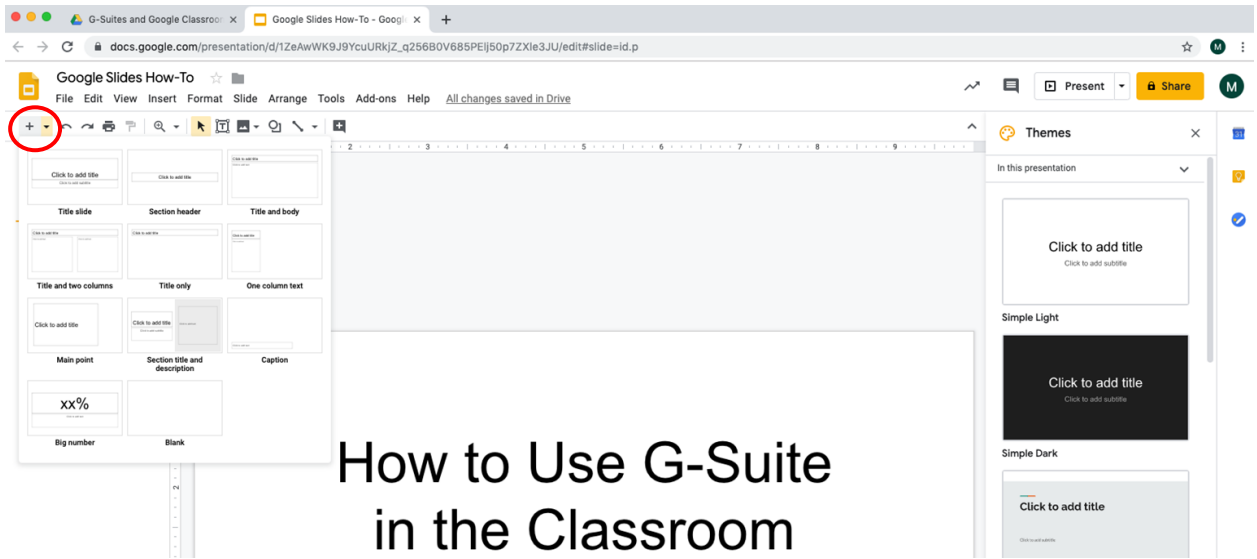

Following is the task list from the G Suite & Google Classroom presentation with accompanying screenshots. Work through the list to familiarize yourself with Google Slides.

## Task List

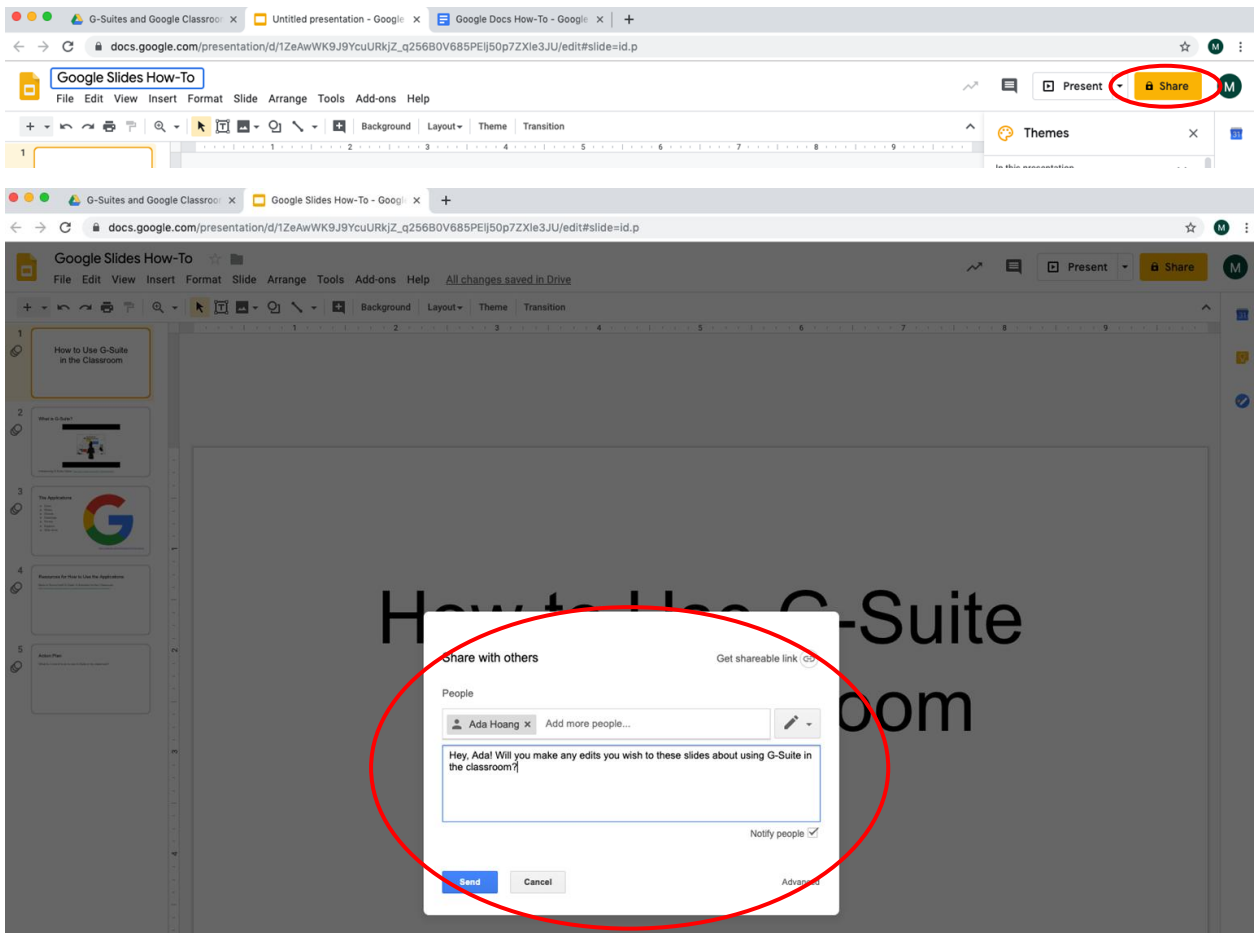

1. Click on New, choose Slides and title

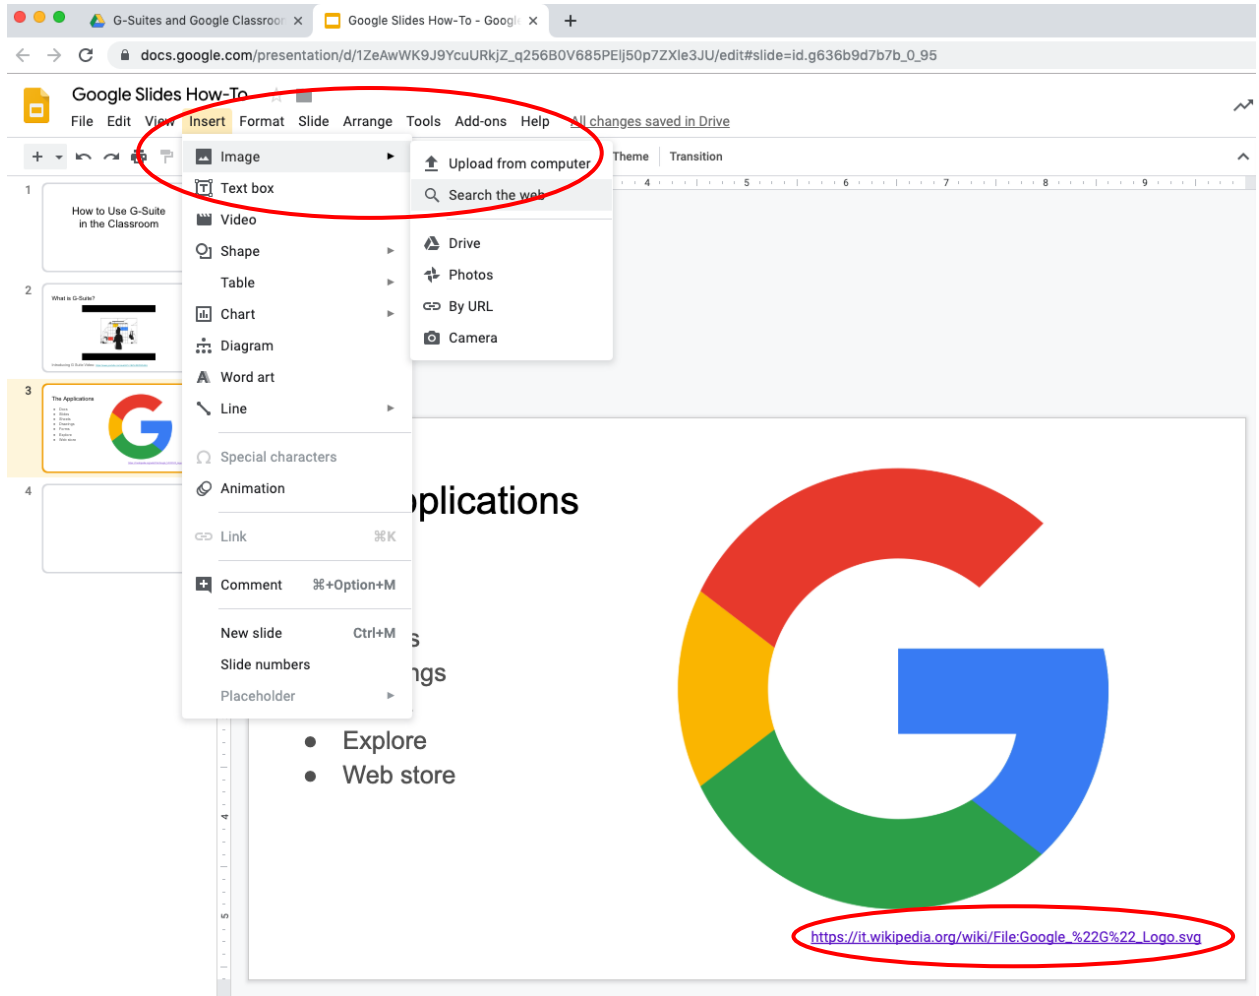

2. Create 5 slides about how to use G Suite in your classrooms

3. Share it with your group

4. Edit pages simultaneously
5. Insert an image, video, and link (cite source)

G-Suites and Google Classroom x Google Slides How-To - Google x what are the g suite apps - Google x +
