

## CITY PLANNER TASK CARDS

### Task 1: Zoning Dilemma

A developer wants to build a noisy factory next to a neighborhood with homes and a school. Discuss if the request should be approved.

### Task 2: Traffic Jam!

A new shopping center has opened in town, and it is causing daily traffic backups. Discuss one possible solution.

### Task 3: Community Green Space

Funds exist to turn a vacant downtown lot into a community space. Discuss three features to include that will benefit the most people.

### Task 4: Budget Decisions

The city has \$100,000 to improve public spaces. Here are the options:

- Build a playground: \$70,000
- Add bike lanes: \$50,000
- Fix potholes: \$30,000
- Plant trees: \$20,000

Discuss how you think the money should be spent.
