

HOW I KNOW IT

Within the circle, write all the information you already know about the topic.

Outside the circle but still within the rectangle, write how you know this information. Where did your knowledge come from? From what source?

A large rectangle with a blue border. In the center of the rectangle is a large red circle. This diagram is intended for a KWL chart, where the circle is for 'What I Know' and the surrounding rectangle is for 'Where I Learned'.
