

Example Two-Voice Poem

Batman	Both Say This	Joker
I am Batman.		
		I am Joker.
I am a hero.		
		I am a villain.
	I HAVE SECRETS.	
Every day I fight crime the Joker creates.		
		Every day, I break the laws and encourage others as well, which are solved by Batman.
	WE ARE TOTAL OPPOSITES.	
I am quiet and humble.		
		I crave the attention of others by acting out.
People admire me.		
		People fear me.
I have a loyal sidekick named Robin.		
		I have a sidekick named Harley Quinn, but I can't always rely on her.
Without the Joker...		
		Without Batman...
	I AM NOTHING!
