

## BENTO BOX

Using the Bento Box below, create or attach 5-7 images that are relevant to this chapter and career cluster. Arrange the images into one of the large squares of your Bento Box, make sure to describe each object and explain your reasons for selecting them.

The image shows a 3D-style Bento Box template. It is a rectangular box with a dark teal base and a light teal top and sides. The interior is divided into four sections:

- A large square section at the top left labeled "Career Images".
- A vertical rectangular section on the right side labeled "Additional Information You Want to Share".
- A rectangular section at the bottom left labeled "Description".
- A rectangular section at the bottom right labeled "Explanation".
