MERCURY READER

Summary

Use the Mercury Reader extension for Chrome to share ad-free, reader-friendly digital articles with students.

Procedure

1. Open your Chrome web browser.
2. Go to <https://chrome.google.com/webstore/>.
3. Search for Mercury Reader.
4. Select "Add to Chrome."
5. Find an article or reading from a website of your choice.
6. With the article or reading pulled up, select the Mercury Reader extension from Chrome's "Extensions" menu or activate Mercury Reader via keyboard shortcut (Cmd + Esc for Mac users, Alt + ` for Windows users).
7. Select the settings icon in the right corner to choose text size, font type, and light or dark theme.
8. Right-click on the page to save it as a PDF. Share your PDF digitally with students.
