WAYGROUND

Summary

Formerly Quizizz

Choose from numerous free teacher-created quizzes and other interactive content covering every subject, including Math, English, Science, Social Studies, Languages, and other topics or quickly make your own and share. In addition to quizzes, create lessons, interactive videos, or passages.

Procedure

1. Go to https://wayground.com/ to create your free account or log in.
2. Search and explore previously created content or create your own.
3. Select "Start Now" to host the content live.
4. Select "Start;" then “Start Now.“
5. Students will go to wayground.com/join) and input the join code.
6. Time to Learn!
