Summary

Browse MagicSchool's list of AI-powered tools for educators. Generate custom educational content that is original, aligned to standards, and customized for your students. Or talk with AI chatbot Raina to brainstorm ideas for lesson plans, activities, assessments, and more.

Note: Chatbots can misinterpret information, present information in a misleading or unbalanced way, and/or plagiarize the work of others. Always check the validity and originality of the content gleaned from a chatbot source.

Procedure

1. Go to magicschool.ai.
2. Log in or sign up to create a free account.
3. Browse the list of Magic Tools and select one based on your needs, such as the Rubric Generator or Text Scaffolder. Alternatively, select Raina (Chatbot) in the left toolbar to chat with an AI instructional coach for ideas and suggestions.
4. Follow the instructions of the tool of your choice.
