TECH TOOLS

Google Classroom

Classroom is a shared space where teachers can make announcements and post assignments for students to access at all times.

GOOGLE CLASSROOM

Summary

As part of Google Apps for Education, Classroom lets teachers create classes, post and collect assignments, provide feedback, and more.

Procedure

1. Using a G Suite for Education email address, go to classroom.google.com and register as a teacher.
2. Click the plus sign on the top right to create a class.
3. Either enroll students on your own, or have them enroll with the given code.
4. Post announcements with links from the web or google drive.
5. Create assignments, provide real time feedback, and never bring home a stack of papers again.
