GOOGLE SITES

Summary

As part of the Google Apps productivity suite, Google Sites can make information quickly accessible. It's customizable for classrooms, businesses, clubs, teams, or even family events. A Google Site can be created and maintained by one person, or it can be accessed by many collaborators.

Procedure

1. Go to sites.google.com.
2. Sign in or create an account.
3. Select a blank site or one from a template.
4. Name your site and add your content!
