LINO

Summary

Lino is an online service that offers the use of stickies and canvases. You can post, view, and peel off stickies on canvases freely. Stickies posted from this iPhone/iPad App can be accessed with PC browsers. You can quickly create a canvas from your phone, iPad, Chromebook, or PC, and then easily share it with others.

Procedure

1. Go to en.linoit.com and sign up for an account.
2. Select "My Canvases" and create a new canvas.
3. Insert a title and select your preferences.
4. Copy the URL of your canvas to share with others—try posting it in email, digital classroom, or social media.
5. You can also share by creating a QR code or a shortened URL.
