NEWSELA

Summary

You can assign articles to your students that match their reading ability by Lexile level. You can also create classes through Newsela and receive analytics from assigned articles.

Procedure

1. Create a free account and use your school email address to get access to four full articles. These articles will change every four weeks.
2. To share the article, you can download, print, or assign your chosen article through a class you create at Newsela.

Newsela. (n.d.). Online Education Platform for Content, K-12 Curriculum.
