TECH TOOLS

Poll Everywhere

Poll Everywhere enables teachers to visualize students' opinions with real-time graphs and charts. It can show live results as students vote with the web-based mobile polling app, which includes everyone as a part of the presentation.

POLL EVERYWHERE

Summary

Gather information through:

- Multiple-choice questions
- Open-ended questions
- Rankings
- Clickable images

Results can be viewed and shared with respondents by:

- Word cloud
- Graph
- Test wall
- Cluster
- Tickers

Procedure

1. Log in or create an account to create a poll.
2. Ask your audience a question with the Poll Everywhere app.
3. Have your audience answer in real time using mobile phones, Twitter, or web browsers.
4. See responses live on the web or in a Power Point presentation.
