TECH TOOLS

Rory's Story Cubes

This app allows students to use virtual picture dice to generate stories.

LEARN.K20CENTER.OU.EDU/STRATEGIES

RORY'S STORY CUBES

Summary

Have students shake and roll the cubes to create stories individually or collaboratively with nine face-up images.

Procedure

1. Roll anywhere from 1-9 cubes by shaking or touching the roll icon.
2. Create a story using the pictures on the cubes.
3. Put the cubes in any order to tell the story.
