STORYBOARD THAT

Summary

Use Storyboard That to plan, organize, or summarize a story. This is also an excellent tool to develop characters, or show cause and effect. Choose from a variety of background images, characters, items, speech bubbles, and more.

Procedure

1. Navigate to [Storyboard That](https://www.storyboardthat.com/).
2. Select **LOG IN** if you have an account or **CREATE A STORYBOARD** to immediately begin creating without an account.
3. Drag a scene from the **Scenes** highlighted menu and drop it in one of the provided cells to provide a background to your storyboard.
4. Select the **Characters** menu item.
5. Drag a character and drop it on top of a scene.
6. Click the character and then select the **EDIT POSE** menu to adjust the character's appearance, clothing, and pose.
7. Select the menu items for **Items**, **Speech Bubbles**, **Shapes**, and **Infographics** to see what you can add to your storyboard.
8. Drag items from each highlighted menu item and personalize your storyboard.
9. Select any element on your storyboard to adjust its size, color, or orientation.
