EDWORDLE

Summary

Create "word clouds" from your text. The size of each word is determined by its frequency of use in the text.

Procedure

To create a word cloud:

1. Navigate to EdWordle
2. Select the **Create Now** button.
3. Paste or write the word cloud text.
4. Select the **First Generate a Wordle** button.
5. Make any necessary adjustments (change the font, add words, rearrange words, etc.).

To download a word cloud

1. Select the **File** button.
2. Select **Save Image** to download the word cloud as an image.
